EXPERIENCE

EverGuard Insurance Broking Services Pvt Ltd. | Kochin
Operations Manager **Jan 2026 – Till Date**

- Transitioned with entire leadership, sales, operations, and finance teams to newly established broking entity, ensuring seamless business continuity across India.
- Continued managing the same client portfolio and operational responsibilities, including underwriting coordination, policy lifecycle management, claims servicing, and financial reconciliation.
- Supported structured migration of processes, intermediary relationships, and operational workflows with zero disruption to client servicing.

Vizza Insurance Broking Pvt. Ltd. | Kochin
Operations Manager **May 2024 – Dec 2025**

- Lead end-to-end policy lifecycle management across Motor, Health, and Commercial lines, ensuring SLA adherence and regulatory compliance.
- Manage servicing for NBFC clients, overseeing underwriting coordination, policy issuance, endorsements, renewals, and claims coordination with insurers.
- Drive workflow optimization through effective coordination with insurer partners and internal teams to improve turnaround efficiency.
- Oversee premium reconciliation, commission validation, and financial settlement tracking with insurance partners.
- Design and monitor MIS dashboards tracking renewal retention, LOB performance, operational KPIs, and budget variance.
- Supervise operations team, ensuring documentation accuracy, compliance standards, and service quality controls.

Go Digit General Insurance Limited | Kochin
Operations Manager **April 2019 – April 2024**

- Acted as primary business SPOC for product, underwriting, and operational queries from intermediaries and internal departments, supporting quote finalization and business conversion.
- Performed initial underwriting assessment for Motor, Non-Motor, and Employee Benefit products, ensuring risk evaluation aligned with company guidelines.
- Coordinated monthly budget planning with Head Office and Sales teams, tracking LOB-wise performance against targets.
- Designed and implemented structured MIS frameworks to monitor sales performance, renewal retention, and LOB profitability, enabling data-driven decision-making by senior management.
- Managed intermediary onboarding, training, and operational compliance alignment.
- Oversaw premium accounting controls, intermediary receivables, payment tracking, and financial reconciliation processes.
- Administered commission computation and settlement through C2L module, ensuring accuracy and timely disbursement.
- Acted as liaison between Head Office and intermediaries for credit management and risk exposure monitoring.
- Facilitated cross-functional coordination across underwriting, finance, sales, and operations teams to ensure seamless policy lifecycle execution.

Bajaj Allianz General Insurance Company Ltd | Thrissur
Sales Manager – Bancassurance **May 2018 – March 2019**

- Promoted to Sales Manager role within Bancassurance vertical, managing insurance distribution through banking partners.
- Advised clients on appropriate insurance coverage across motor and non-motor lines in alignment with underwriting guidelines and compliance requirements.

- Ensured accurate and timely policy issuance, coordinating with underwriting and operations teams.
- Consistently achieved assigned sales and business retention targets through structured client engagement and follow-ups.

Bajaj Allianz General Insurance Company Ltd | Cochin
Branch Accountant – Kerala **Nov 2014 – April 2018**

- Managed branch-level financial operations across Kerala region using SUN Accounting System.
- Oversaw premium accounting, receivables tracking, banking reconciliation, and financial controls to ensure regulatory and audit compliance.
- Prepared monthly, quarterly, and annual financial statements and closing reports for management review.
- Administered intermediary commission computation and settlement processes with accuracy and adherence to policy terms.
- Conducted journal entries, account reconciliations, and variance analysis to maintain financial integrity.
- Managed vendor payments, expense reimbursements, and branch-level disbursements with structured documentation controls.
- Coordinated with underwriting and operations teams to ensure accurate premium booking and revenue tracking.

PROFESSIONAL RECOGNITION

- Awarded "Wall of Awesomeness" recognition (Two-time recipient) at **Go Digit General Insurance Limited** for outstanding operational performance and contribution to business growth.
